SGS INTRON Certification

Subject of certification

Concrete	
Cement	Aggregates

Hereby is being declared that:

Cemex Polska Sp. z o.o. - Przemiałownia Gdynia

Energetyków 1, 81-980 Gdynia, Poland

has been assessed according to:

Concrete Sustainability Council (2024) (Cement Grinding and Blending) 3.0 English

SGS has determined that at the time of the assessment, all requirements as set out in the Concrete Sustainability Council RSS are being applied by the certificate holder. The evidence provided by the certificate holder has been assessed and found to be in compliance with the requirements for this purpose.

This certificate remains valid without interim supervision for a period of 3 years as long as the conditions as stated in the Concrete Sustainability Council RSS, as well as the procedures and methods as applied by the certificate holder, do not change significantly.

Date of issue: 28-03-2025
 Expiration date: 28-03-2028

Final result: 93.91 %

Subscore per category

Category	0	10	20	30	40	50	60	70	80	90	100
Prerequisites	100.00 %										
Management	100.00 %										
Environmental	98.41 %										
Social	100.00 %										
Economics	64.00 %										
C3. Clinker	94.00 %										
C8. Cement supply to CSC Cement Blender	0.00 %										

Through exemplary performance additionally earned points (already included in category scores above)

Environmental	1.59 %
Social	2.22 %
