SGS INTRON Certification

Hereby is being declared that:

Cemex Polska Sp. z o.o. - Wytwórnia Betonu Mysłowice

Obrzeżna Północna 5B, 41-400 Mysłowice, Poland

has been assessed according to:

Concrete Sustainability Council (2024) (Concrete) 3.0 English

SGS has determined that at the time of the assessment, all requirements as set out in the Concrete Sustainability Council RSS are being applied by the certificate holder. The evidence provided by the certificate holder has been assessed and found to be in compliance with the requirements for this purpose.
This certificate remains valid without interim supervision for a period of 3 years as long as the conditions as stated in the Concrete Sustainability Council RSS, as well as the procedures and methods as applied by the certificate holder, do not change significantly.
