Certification manager  
SGS INTRON Certification

Hereby is being declared that:  
**Heidelberg Materials Temse Beton**

Doornstraat 1, 9140 Temse, Belgium

has been assessed according to:  
**Concrete Sustainability Council (2022)  
(CO2-Module) (Global) 2.1 English**

SGS has determined that at the time of the assessment all requirements as set out in the Concrete Sustainability Council RSS are being applied by the certificate holder. The evidence provided by the certificate holder has been assessed and found to be in accordance with the applicable regulations.

This certificate remains valid without interim supervision for a period of 3 years as long as the conditions as stated in the Concrete Sustainability Council RSS, as well as the procedures and methods applied by the certificate holder, do not change significantly.
